

Daniel & the lion's den

DAY
FOUR
RECAP

Have you ever been to the zoo? Did the zoo keepers let you go in with the lions and pet them? **[no] Of course, not.** The lions are fierce and might hurt you. Well that's exactly what happened to Daniel, he ended up in a den of fierce and scary lions.

Daniel was an Israelite, but had been taken captive when the Babylonians attacked the Israelites. Daniel had a tough time in Babylon, they tried to change who he was, by changing his name, what he could eat and who he could worship - but **Daniel was strong and faithful to God even when things got tough, he always obeyed God.** That brings us to the latest hurdle Daniel faced...

Daniel was given a top job in the kingdom of Darius, but this made the other princes jealous of Daniel. The only way they could find him at fault was to make a law that would make it illegal for him to pray to God. The princes tricked the king and got him to pass a law for thirty days.

Daniel continued to pray to God three times a day. The king had to cast Daniel into a den of lions for breaking the law, but he hoped that Daniel's God would save him. A large stone was placed over the den of lions and was sealed. The king was so worried about Daniel that he couldn't sleep that night. The first thing the next morning, the king went to see if Daniel had been killed. He cried out to see if Daniel was alive and... HE WAS! God had sent an angel to shut the mouths of the lions and keep Daniel safe!

Do you ever have moments when you must stand up for what you believe in? We can look to Daniel as an example to stand up for what we believe, and to be faithful to Jesus at all costs, even when it gets tough.
